

## FEBRUARY 2021 NEWSLETTER

Dear Members

As I write this on a bitterly cold February afternoon, it is lovely to see the sun and also my daffodils that are blooming bravely in spite of the weather. At the very least the days are getting longer and spring is just around the corner. Time for hope.

I hope you have all had your first vaccination. Should you still not have been called then please contact the NHS on 119. The Riverbank Medical Centre are now vaccinating all of those over 65.

Your Committee have been having Zoom Meetings since this last lockdown and I'm afraid that we are going to have to cancel our next Garden Club Meeting scheduled for 8 March. As I mentioned in my last Newsletter, we are taking these decisions on a month by month basis but I think we have to be prepared for the high possibility of not being able to have our meetings for some time. I can't see the government allowing large groups of people meeting in the near future. We miss you. Stay strong, this will all pass.

Sue and Angela said that if anyone would like to call them if you are in need of cheering up, then please feel free to do so. Their telephone number is 01730 812455.

We are sad to report that Michael Hill passed away a couple of weeks ago. We have sent our love and condolences to Pat. We will miss his lovely smiley face.

The winner of this month's posy was Sybil Yeo. The flowers for January and February have now been delivered. We will continue to pull a name out of the hat every month until such times as we can finally have our meetings again.

As you know we made the decision to extend your membership that you paid last year until 2022. So you don't need to renew your membership this year.

Stay safe and stay well
